Informace k obrázkové části návodu:

Přehled (vyobrazení) dílů je označeno pozicí daného dílu a číslem, které můžete porovnat s balícím listem dílů v textové části.

- Vyobrazení dílu označené např. **Position 5** se týká všech typů skleníku.
- Vyobrazení dílu např. **Position 14 Variant D, M** se týká pouze typu skleníku D a M.

Obrázky jsou označeny písmenem a číslem, které odpovídají konkrétní části v textové části návodu.

- Například obrázek označený **F8** zobrazuje díl, který je shodný pro všechny typy skleníků Variant a tomu odpovídá i textová část návodu.
- Obrázek označený např. **F9 Variant J** zobrazuje díl, který je pouze u tohoto typu skleníku.

Informationen zum Bildteil der Anleitung:

Die abgebildeten Teile sind mit der Position des Teils und einer Nummer beschriftet, die Sie mit der Stückliste im Textteil vergleichen können.

- Zum Beispiel **Position 5** gilt für alle Gewächshaustypen.
- Die Abbildung des Teils z.B. **Position 14 Variant D, M** bezieht sich nur auf diese Gewächshaustypen.

Die Bilder sind mit Buchstaben und Zahlen gekennzeichnet, die dem jeweiligen Textabschnitt der Anleitung entsprechen.

- So zieht z.B. das Bild mit der Bezeichnung **F8** ein Teil, das für alle Variant-Gewächshaustypen identisch ist und dem Textteil der Anleitung entspricht.
- Das Bild mit der Bezeichnung z.B. **F9 Variant J** zeigt ein Teil, das nur für diesen Gewächshaustyp gilt.

Information on the pictorial part of the instructions:

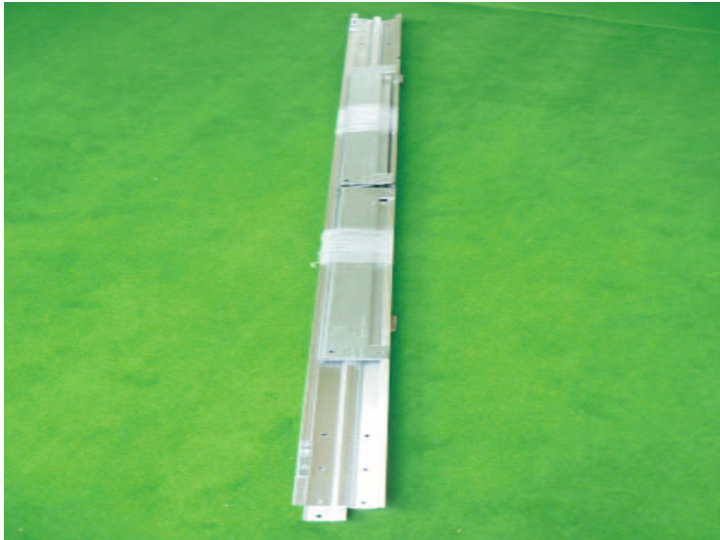

The figures of the profiles are marked with a position that is identical to the packing list in the text section.

- E.g. figure of **Position 5** applies to all types of greenhouse-
- E.g. figure of **Position 14 Variant D, M** applies to only applies to these greenhouses.

The figures are marked with the letter and number that correspond to the specific part in the text part of the manual.

- E.g. figure **F8** shows a part that is the same for all Variant greenhouse types and the text part of the manual correspond to this.
- E.g. figure marked **F9 Variant J** shows a part that is only in this type of greenhouse.
